1.0 Introduction

This Bulletin gives essential information about the AIMS Test for Management Admissions (ATMA) for admissions to the Post-graduate programmes in Management (e.g. PGDM, PGDBA, MBA, MCA, MCM, etc., subject to regulations of local university) offered by various Institutes / Universities. The procedure for registering for the Test and the Test Administration are also described below.

2.0 About ATMA

- 2.1 The Association of Indian Management Schools (AIMS), established in 1988, is one of the largest networks of management institutes in the world, with over 600 members including IIMs, ISB, Xavier Institutes, Welingkar, MDI, S P Jain, ICFAI, NMIMS and other top Indian business schools. ATMA was launched in 2000 to meet the expressed desire of AIMS members for a high quality test, the scores of which would be used in the admission process as a reliable predictor of academic performance in post graduate management programmes. ATMA is a credible, comprehensive and single-window test for admissions to different post-graduate management programmes. The first Test was conducted on Sunday, 20th February, 2000, at several centers in India
- 2.2 ATMA seeks to become a benchmark test in the world of management education. It focuses on the student. ATMA does not require any specific prior knowledge of business or other subject areas nor does it seek to measure achievement in any particular subject area. The Test is designed to assess the aptitude of the student for higher management education and primarily consists of sections on verbal, quantitative and analytical reasoning skills. Specific instructions will be given to the candidates separately for Paper-based and On-line tests. Questions are of objective type. The Sample Tests available on www.atmaaims.com give a broad idea about the nature of the Test and provide an opportunity for practice.
- 2.3 Normally, ATMA is conducted in the following Test Centres :

Ahmedabad (Gandhi Nagar), Ahmednagar, Aurangabad, Bengaluru, Bhubaneswar, Chandigarh, Coimbatore, Cochin, Delhi, Goa, Guwahati, Gwalior, Hyderabad, Hubli-Dharwad, Indore, Jaipur, Kolhapur, Kolkata, Lucknow, Mumbai, Nagpur, Nashik, Noida, Patna, Pune, Ranchi and Sangli.

Test centres may be cancelled, combined or changed depending on the number of candidates in specific centres or new centres added to the above list.

Similarly, option is available to the candidate to choose two test centres according to their choice, so that, in case the first centre is not available, the second centre gets included in the admit card.

Change of test center is not allowed, except for valid reasons in exceptional cases where the request for change is made well in advance i.e., at-least 10 days before the test, and subject to availability of seats and the approval of test administrator.

2.4 IMPORTANT DATES IN ATMA SCHEDULE FOR 17 FEB 2013

| Results | About three weeks from the date of Test |

For May and August tests, the schedules will be announced on the website, one day after the previous test.

3.0 How to prepare for ATMA?

Most of the candidates who appear for ATMA may have taken other tests that aim at selection for management education or studied for similar tests. The preparation for ATMA should not be similar to that of college and university examinations. However, familiarity with aptitude tests, diligence and regular preparation can improve the speed. AIMS does not recommend any particular preparatory course or training for ATMA, though these may be effective in varying degrees. Reviewing the Sample Tests given on the website is likely to help the candidates.

4.0 How to apply On-line for taking ATMA?

- The Payment is accepted from the candidates from 10th December, 2012 till 7th February, 2013 for February Test. For May and August, 2013 the dates of Payment/Registration will be announced on the website after completion of February Test.

5.0 Test Administration

- 5.1 ATMA will be administered in the premises of colleges/institutes/schools or their computer labs, etc. The address of the Test Venue is given on the Admit Card, which is in two pages.
- 5.2 You are requested to submit the following documents to the invigilator at the time of the examination.
- (i) Admit card with two of your recent recognizable photographs affixed in the space provided.
 - (ii) ATMA E-Receipt issued to you upon making payment of registration fee.
 - (iii) Copy of your Registration
 - (iv) Photo Identification
- 5.3 Report to the Test Venue with your above documents, not later than half-an-hour before commencement of the Test. The second page of the admit card is meant for the candidate. The candidate is required to obtain invigilator's signature on it, and retain the same for future use.
- 5.4 Take your assigned seat in the Test hall/Lab. Change of seat/computer is not permitted without the explicit permission of the Test Supervisor.
- 5.5 **Answer Sheet for Paper-Based Test:** A Blank Specimen Answer Sheet (sample at Annexure – IV) is given for filling up your information in it. For the sake of clarity, a 'Filled in Specimen Answer Sheet' with the data of a specimen candidate is enclosed in Annexure – V. Fill up all the information, as required on Side 1 of the Answer Sheet – Name, Roll Number, Date of Birth, E-mail address, etc. Darken the ovals as required and bring the same to the Examination hall to fill up the actual answer sheet. Any mistake may result in misplacement or non-receipt of your result. **ATMA will not be responsible for the same.**
- 5.6 After all the candidates fill in Page 1 of the Answer Sheet; the Test Booklets will be distributed. The Test Form Number and the Booklet Serial Number will be printed on the front cover of the booklet, which can be referred to darken the appropriate ovals in the Answer Sheet. Please make sure that you write your Roll Number in the appropriate place on Side 2 of the Answer Sheet.
- 5.7 Each section of the booklet is sealed and should not be opened before the invigilator/supervisor gives permission.
- 5.8 Instructions for **Internet Based On-line tests** will be different and should be followed as directed below the E-Admit Card. Familiarity with use of computers and internet will be required.

6.0 Nature of the Test

- 6.1 The test Contains 180 Questions spread over Six Sections. Each Section is timed separately for Paper-based Test. There is no such requirement for On-line Test. Total time of the Test is three hours. The questions cover Analytical Reasoning, Quantitative, and Verbal skills.

The following table shows the structure of ATMA

| STRUCTURE OF ATMA | | | |
|-------------------|-----------------------------|------------------|---------------|
| Section | Question-Context related to | No. Of Questions | Allotted Time |
| I | Analytical Reasoning Skills | 30 | 30 Min |
| II | Verbal Skills | 30 | 30 Min |
| III | Quantitative Skills | 30 | 30 Min |
| IV | Verbal Skills | 30 | 30 Min |
| V | Analytical Reasoning Skills | 30 | 30 Min |
| VI | Quantitative Skills | 30 | 30 Min |
| | Total | 180 | 180 Min |

(In the Actual Test the same sequence as shown in the Table above may not be followed)

- 6.2 Each multiple-choice question is followed by four answers numbered 1,2,3 and 4. You have to choose the correct or best answer from these four choices and then darken the corresponding oval in the answer sheet/click the right answer in the On-line Test.
- 6.3 The questions in this Test are numbered serially starting at 1 and ending at 180. Start answering from the first question of each section and proceed sequentially.
- 6.4 Clear familiarity with the directions and questions is necessary. It is important to read the directions for each set of questions carefully.
- 6.5 In case you find a mistake in the framing of the question or the answer-choices given or both, you **need not waste** your time on them. You will be given credit for any such question.
- 6.6 Time should be allotted wisely within the limits given. On an average, there will be one minute available for each question.
- 6.7 ATMA has been designed as a standard, benchmark Test with high quality and academic rigour. ATMA scores are useful in determining a candidate's relative position in the whole test population. A candidate is not expected to answer all questions within the specified time frame. You are advised to proceed through the Test at an even pace, skipping the more difficult questions, wherever necessary. (In the case of Paper-based Test, you can return to the unanswered questions later, within the time specified for each section. If you wish to review your answers in a section, you can do so only in that section within the time limit. You cannot answer any other section(s) or read any other sections(s), backward or forward, as the case may be. Any violation of this rule will result in disciplinary action and even cancellation of your result). (In the case of On-line Test, you may return to the unanswered questions any time and click the right answer).
- 6.8 All the necessary instructions and guidelines will be given in the Test Booklet itself for Paper-based Test and along with the question paper for On-line Test.

7.0 Marking on the Answer Sheet for Paper-based Test.

- 7.1 Use a HB pencil only for darkening the ovals. The scanner will not respond to the Ovals marked with an ink pen or a ballpoint pen or any other colour.
- 7.2 Remember that you have to darken (with a HB pencil) one oval for each question. More than one darkened oval for a question will be treated as an incorrect or wrong answer and a negative score will be given. If you have to erase, erase completely. If any dark mark/shade is left inside an oval, the optical scanner will read it as marked and score according to the rule.
- 7.3 A couple of HB pencils duly sharpened, a good quality eraser, a sharpener, a silent watch, the blank specimen answer sheet (Annexure IV) with your biodata duly filled in, a ballpoint pen and, E-Receipt for Payment and Admit Card can be brought to the Test Venue. Nothing else should be brought to the Test Venue. The ballpoint pen may be used only for signing.

For the On-line Test, the candidate has to bring only E-Receipt, his/her Registration copy, A Photo ID and Admit Card to the testing lab.

8.0 Scoring

- 8.1 For each correct or best answer, you will get a score of one. For any question not answered, a zeroscore will be given. A negative score will be given for a wrong or incorrect answer. For each incorrect answer, (0.25 point) will be deducted. Thus, for four incorrectly answered questions, one mark will be subtracted from the total score.
- 8.2 A question with multiple answers, i.e., more than one answer, will be treated as incorrect and, therefore, a negative score (-0.25) will be given.

9.0 Discipline at the Test Centre

- 9.1 Candidates must follow the instructions of the Test Supervisors in the Test hall/computer lab. Violation of the instructions or any unethical practices will disqualify the candidate. The decision of the Supervisor in this regard will be final. Maintain the discipline and decorum of the test centre. Always follow the instructions of the Test Supervisors.
- 9.2 All rough work / calculations can be done in the Test Booklet itself and not in the answer sheet or elsewhere. Books, notepapers, calculators, slide-rules, mobile phones and other electronic devices are not permissible. Giving / seeking / receiving help in any manner during the Test is prohibited.

10.0 At the end of the Test

- 10.1 You should remain in your seat during the Test. You may leave your seat/computer only with the permission of the Invigilator / Test Supervisor.
- 10.2 At the end of the Test time, each candidate must hand over the Test Booklets and the Answer sheets to the Invigilator / Test Supervisor, before leaving the hall/room.

11.0 Cancellation of the Test Results

- 11.1 A candidate's score will be cancelled by the office of ATMA, if any misconduct or unfair practice by the candidate is detected, by any of the several available means.
- 11.2 A candidate whose result is cancelled, will not receive her/his score and will be informed accordingly.

12.0 Reporting and Use of ATMA Scores

- 12.1 ATMA Scores will have to be down loaded from www.atmaaims.com by using the log in id and password sent to the email of the candidate. No hard copy will be issued unless otherwise specifically requested for.

- 12.2 ATMA score report for each candidate will contain four scores: viz quantitative, verbal, analytical and total. These scores are based on raw scores of each candidate and are statistically scaled with reference to the entire Test population. The first three scores measure different constructs and are neither comparable nor can be added to each other. The scores can be easily interpreted, compared in each construct category and used for specific purposes. **ATMA scores cannot be compared directly to other similar Test scores.**
- 12.3 In addition to the scaled scores, the Score Report will also contain percentage below the data. These percentiles indicate the percentage of candidates in the entire ATMA Testing population, who have scored below the candidate in that category. For example, if a candidate's score sheet indicates 53%, it means that 53 percent of test candidates scored below her/him. Thus, the percentile score ranks an applicant to a management programme, in relation to other applicants, who have taken the Test.
- 12.4 ATMA scores in the Test taken on a particular date are valid to be used by the management institutions for admissions in the next academic year only.
- 12.5 ATMA has so far been accepted by a number of Management Institutes, as one essential admission criterion in their post-graduate programmes in Management. Full addresses of these Institutions with code numbers and details of the programmes offered are given on the website and also atand also at Annexure-VII
- 12.6 **These Institutes have the exclusive authority to decide on admissions to their programmes. ATMA or AIMS has no role in their admission decisions.** ATMA scores will be reported to the student as well as to the Institutions s/he designates (in about a month in the case of Paper-based and in about fifteen days in the case of On-line after the Test date), for admissions in the next academic year.
- 12.7 While registering on-line, each candidate can indicate five institutes with correct code numbers from the list given on the website as well as and also at Annexure-VII, to which s/he wants ATMA scores to be sent without any additional charge. **A candidate is also required to verify the institute's recognition by AICTE or affiliation to a University and other credentials before identifying the institute(s) for admission. An institute's acceptance of ATMA scores and its inclusion in the list of Participating Institutes is not an indication that the institute has the required recognition/affiliation for conduct of the programmes announced by it.**
- 12.8 For additional reporting of the Test score, the candidate should write to the ATMA Chairperson's office at Pune, directly indicating the institutions to which her/his scores should be sent, with a fee of Rs.100/- per Institution applied for. The ATMA Chairperson's Office will send these scores within a week of the receipt of the request. For additional reporting, fill in the form in Annexure - VI and send it to the ATMA Chairperson's Office in Pune, with the requisite fees. It is candidate's responsibility to apply directly to the Institutes of her/his choice for admissions separately.
- 12.9 The ATMA Chairperson's Office will only forward the scores to the Institutes, designated by the students. Students are expected to apply directly to the various Institutes for their Admission Bulletins and Application Forms, within the deadlines for admissions to each Institute.

13.0 IMPORTANT POINTS FOR THE CANDIDATES TO REMEMBER

1. *Candidates are advised to keep two Xerox copy's of the filled in application form for their future reference.*
2. *Candidates can download their Admit cards from the ATMA website www.atmaaims.com.*
3. *Candidates can indicate FIVE INSTITUTES to which s/he wants ATMA scores to be sent without any additional charge. For additional reporting of scores to more than five institutions, candidates are advised to read the instructions given under Section 12.8.*
4. *For any inquiry, candidates may write to the AIMS / ATMA Secretariat at Hyderabad, or email to atma.secretariat@gmail.com stating their Roll Number, Bulletin Number and Test Date.*
5. *If any misconduct or unfair practice by a candidate is detected, directly or indirectly by any of the several available means, the candidate's score will be cancelled.*
6. *Remember the deadlines available on the www.atmaaims.com*

- 13.1 **Please note that ATMA has been accepted by the Ministry of HRD, Government of India and AICTE as one of the five tests for admissions to the MBA and similar programmes at the postgraduate level by AICTE-recognized Institutes.**
- 13.2 **Management Institutes who do not participate in ATMA, but accept ATMA scores directly from the students without authentication by ATMA Office do so at their own risk and responsibility.**
- 14.3 **Directorates of Technical Education/Departments of Higher Education of State Governments are required to seek officially the results of the candidates opting for the Management Institutes of the state from the Office of ATMA directly.**
