At JGBS, our students pursue different options to get a Global Perspective

- ✓ **Dual Degree Programmes**
JGU's Study Abroad programmes allow students to work on two university degrees in parallel, one of them from an international partner university. In JGBS for instance, a student may avail this opportunity in the 5th year of the Integrated BBA-MBA programme or in the MBA final year.
- ✓ **Study Abroad Programmes**
The one semester spent abroad in these programmes provides incremental academic exposure and also improve their cultural awareness, and make them more responsible.
- ✓ **International Student Exchange**
The International Student Exchange Programme (ISE) provides foreign students with the opportunity to study for one semester at JGU, and for JGU students to spend a semester abroad.
- ✓ **Faculty Exchange/ Visiting Scholars**
O.P. Jindal Global University, with its international partners, has developed faculty exchange programmes that provide a chance for faculty to spend one semester teaching abroad.
